## **GOOD FOR:**

- attention
- acoustic recognition
- acoustic memory
- acoustic sequencing

**INFO:** After printing you can immediately use the worksheets. The worksheets are very simple in layout, so that there are not any extra impulses. Children are not being distracted and can concentrate on the task. Therefore, this material is also good for working with ADD-children.

**LICENCE:** You can use these worksheets at home or in school. You can copy them or hand them out, also as a file. However, you are not allowed to sell these worksheets or to use them in any commercial way. I have the necessary licences for the pictures and illustrations used.

**EDITION:** 2012
